

A Merry Christmas

YULETIDE festivities will be more crowded and gay this year than in many years long since past. There will be more reason than ever, to meditate in Church on the true meaning of "Peace on Earth . . . Good Will Toward Man"... Thus too, our score of Christmas wishes is extended in the hope that your Holiday be as replete in merriment and joy as the gala season itself. May your home be blessed with every good fortune and your most profound hopes realized in the New Year.
