Life of Mark

ens? They just called him Mark ed to enjoy themselves.

Twain, don't know why; that We wish to thank Mrs. Ralph ters from Duff in the morning! Let It Snow—Who can do Author, Honre Morrow. She has means water is two fathoms Twain, don't know why; that means water is two fathoms deep. No connection as I can see. Funny name. Well, I just run across a story of his life, like to hear it? Says he was born in Florida, Missouri in 1835 and met his end in Hartford, Contest in 1910. Only lived to met nis end in 1910. Only lived to necticut in 1910. Only lived to be seventy-five. Short life don't you think? Was quite a jack-of-all-trades too it 'peers. He didn't all-trades too it 'peers. He didn't ones got a way home.

It seems several members to end in the staff went over the limit of light skate with his girl friend's sister. What's going on around here?

There were the usual bumps Joe Yannie really gets the hard the staff went over the limit of the staff went over the staf brother. Couldn't get mississip and see that her good iriend many pi out of his blood though, poor fella, so became pilot of a river boat. Also says he had a slight success with gold diggin's and then returned to San Francisco as a journalist, "somethin' to do with newspapers I guess." Did a great deal of travelin' in Euror ope then returned here as editor ope then returned here as editor of a paper in Buffalo. "That of the pi out of his blood though, poor garet Jackson, had purposely sat this year) and he also had several and he also had several satistiches taken near one eye this year) and he also had several satistiches taken near one eye to the says he had a slight you so trip her.

Jo Ann and Kay are still going at Joyne where were you this year) and he also had several satistiches taken near one eye to the says he had a slight you so trip her.

Carlton Ordway and Gloria, Elso a day, a telephone call almost what happened to John Consumption on the floor a few minutes previous to trip her.

Carlton Ordway and Gloria, Elso a day, a telephone call almost with newspapers I guess." Did and Essie Temple and Jim Backwery night, and several dates a week. Boy, can you beat that?

Wheaton to Helen Yannie.

Who was Joan Joyce's soldier another of these really swell fellows and if you don't believe us, brunette Wellsville resident. didn't last long either." Soon brunette Wellsville resident. in Hartford." He received the ly get around. Goodness, I in Hartford." He received the wouldn't want to meet her in the honorary degree of litt. D. from dark.

of what I wonder," and was irrecerant and flippant at the wrang times and places. Pretty odd fella, don't ya' think? Tells odd fella, don't ya' think? Tells here no other author so vividly here no other author so vividly portrayed the merican boy or gave his readers so adequate an impression of the large level."

Jet Ludden and Lois Matison the health classes also enjoyed this movie. It showed the importance of good grooming, clean-portance of good grooming, clean-p gave his readers so adequate an ding up, does he, Gerry? We impression of the large lonely didn't see Mary E. Driscoll down life led by native mericans in once, so I guess she's broken Vic the great Mississippi Valley as Clark's record.

The 7th, 8th and 9th grade Miss Spino—spent the week-end mericans spent the week-end of the large lonely didn't see Mary E. Driscoll down ing movie on "Trees for Tomor-lone, so I guess she's broken Vic row." This showed the import-lone, at her home in Perry and did Margaret Jackson seems to this Twain tells did in Huckle- trank's record.

The thermometer recorded two about berries?—I thought he wrote and we sincerely hope no one about the manufacture and the mean of the manufacture and the mean of the manufacture and the mean of the "What's them Jud, somethin and we sincerely hope no one about berries?—I thought he wrote about that there. Mississippi clinging colds that are so preving our natural resources.

A movie, "For a Better Life, was shown to all the homemak-linging classes. This showed the imwhat their taikin' whout." By slent when they come out from portance and the big part that, names here, must be places he's to have been enjoyed immensely been or somethin'. Oh! no, guess and attended by an and attended by an article and the big part that home in Friendship.
