Done at Last

For the past six weeks the members of the Senior Class have Greene's time at the game Fribeen slaving over a 3,000-word thesis on their future careers. They are done at last and can again resume their normal course of life with the satisfactor when he called Monda tion of knowing they did their. Or are we too nosey?

In looking over these booklets, school and go to Wellsville? several things drew my attention.

First was the neat, attractive covers of all the booklets. They are all typewritten and some attractively illustrated. The future Teach of the future Teach of the high school stunction are all typewritten and some attractively illustrated. The future Teach of the high school stunction are all typewritten and some attractively illustrated.
