It was past midnight. There was a persistent banging at the house door. Finally a man stuck his head out of the window and asked: "What do you want?" "Shay, are you Dr. Smith, the animal man?" "I am Dr. Smith, but what do you want at this time of night?" "Dish you advertise for a man to go with you to Africa to kill lions?" "Yes, I did, but this is no time to talk about it." "Well, I thought I better tell you I can't go."
