Uncle Sam Says

Supposing you and your neighbor met at the grocer's and actually did and said the things you see going on in this scene. You probably would say "Quit your kidding, Uncle Sam. They must be two other fellows, not and Tom." Actually, friend, there are not enough consumer's goods for the dollars Americans own. There is more need now than. ever before for you to save every dollar possible from the buying maret. Buy only what you really need. Put every extra dellar into United
