FIRE PREVENTION WEEK

CALLING on the nation to join in a concerted peaches, pears and strawberries, effort to prevent fires, President Truman has pro-pectin must be added. This can claimed the week of October 5 as Fire Prevention be either commercial or home-

In his proclamation, the President said: "I earn-stream of Canned Goods estly request every citizen to eliminate all possible Canned food suffers from heat causes for destructive fire in his home and place of and humidity in the summer time, business." That plea goes to the heart of fire pre-that heat and moist air make colvention. The many organizations whose business is ors fade and may change the to fight fire are doing a magnificent job, and their flavor. So, find a cool, dry place efforts have been brought to a peak of intensity this food, and remember, the sooner year. But they cannot do much without public sup-you put them there the less port. The nation cannot provide an army of fire prevention experts to inspect every home and business you buy. building, correct dangers, and see that they stay corrected. All the authorities can do is to tell us how In choosing the size of refrigto prevent fire—and after that it is up to the indilow one to two feet per person,

If anyone doubts that fire prevention has as-|tersumed the stature of an emergency condition, he To keep pictures and mirrors need only look at the statistics. During the first six from making a mark on the wall months of 1947 alone, fire losses in the United States both bottom corners. The tacks reached the staggering total of \$369,276,000—and keep the frame from touching that does not include the major portion of the Texas the wallpaper. City disaster. Loss of life has shown a similar increase. In most homes a very small expenditure of time and money will eliminate the common hazards GUARANTEED —and no investment can produce better returns.

The economists are now trying to tell us what is going to happen unless something else happens.

Why do women fall for dull successful men, instead of men who are sweet to them?
