NO "OFF YEAR" ELECTIONS HERE.

"DON'T be misled by the label off year elec-|so tions'," says E. A. Lutz, associate professor of pub-James Robbins, Wellsville, a son lic administration at Cornell University. "There are Sept. 28—To Mr. and Mrs. H. no 'off years' in our system of local self-government Glenn Jones, Scio, a daughter. any more than there are 'off years' for farm work, Morris Ward, Scio a daughter. house work, or any other work."

In urging New Yorkers to register, and to vote on November 4, Professor Lutz reminds that there are six constitutional amendments to be considered, and town or county officers to be elected.

One of the amendments would make it possible and Albert Perham both of Anto provide a maximum bonus of \$250 to some of the gelica. 1,700,000 New York veterans of World War II and smaller amounts to the rest. The Legislature has provided that the indebtedness thus incurred is to be repaid by a 20 per cent rise in the State income tax and an additional one cent per pack cigarette tax.

Other amendments propose a new method of Men's DRESS SHOES & A rates for State legislators (now in the Constitution) and the fixing such rates by law; liberalization of absentee voting privileges; authorization for construction and maintenance of ski trails in certain parts of the Adirondack and Catskill State forest preserve; and authorization to the Legislature to divide the Second Judicial District, consisting of Sta- Nunn Bush ten Island and Long Island, into two districts.

"The local officers whom we elect this year can & Etonic Arch do many things that affect us more in our day living 8 than those in the State or Federal Governments or the United Nations," Professor Lutz asserts.

They are partly responsible for the construction 8 Johnsonians and maintenance of our local streets and roads, the operation of public relief and local administration of justice, as well as many other activities that concern us immediately, directly, and frequently, says the Cornellian.

"In this democracy, as long as we have it," Lutz 8 stresses, "We've got to stay on the job as interested | voters and citizens. Exercise your privilege and responsibility on Election Day."

Registration days for this Fall's election are: Saturday, October 4th from 7:00 a. m. until 10:00 p. m., and Saturday, October 11th from 1:00 p. m. 8 until 10:00 p. m.

Alfred:-Heartened by their howing against a strong Buck-

Alfred dropped their opener to Bucknell, holding the Bisons to one touchdown for three periods, then weakened and let three more scores across in the final period, to lose 25-0.

Hal Brown of Warren, Pa Bill Argentieri of Hornell and Bill Hall of Binghamton were outstanding and loom as key cogs in the Alfred attack. Brown works from fullback; Argentieri a back-converted-to-end; and

tall is center.
