HOW WAS YOUR GRAIN CROP?

Due to the unusually wet planting season, most grain harvested this fall is of poor quality. DON'T risk a poor crop next year by planting called to the attention of the depoor seed next Spring. We are now taking orders for the new proven Mohawk and Clinton oats. Supplies are short, so give us your order NOW and be sure you get your share of this dies on or after December 7, 1941 fine seed.

You can get the most from your own grain by letting us mix it with a balanced ration for your stock this Winter.
