### Written Examination Required for Driver's License

Starting last Monday, appli-rectly in order to pass. cants for New York State motor vehicle driver licenses will take serve primarily as a test of an a written instead of an oral test applicant's knowledge of the mocovering traffic laws and regu- tor vehicle laws and driving reglations, as part of the four-part ulations, Commissioner Fletcher license examination, Motor Ve-said. It will also enable the Mohicle Commissioner Clifford Fletcher has announced.

Commissioner Fletcher said the change is being made in order to by new drivers. tighten up this piece of the examination in accordance with nationally-recommended standards to insure uniform application of the test thruout the State and to provide a complete written record of the test which was not available under the oral method.

In addition to the law knowledge test, the New York State license examination consists of a driving test, vision tests and an English test. The applicant must pass all parts to be licensed.

The new written knowledge selected by the examiner from a McLAUGHLIN Millinery ens and C. L. Early are pleasant. test, consisting of ten statements
