pal or superintendent of schools. Scouts to Aid In gany county is Hornell high Food Conservation

to school. The date of the next All Scouts and leaders in Cat tention is being equivalency examination has not yet been est taraugus and Allegany counties new high school equivalent tablished. Notification will be are urged to enter into the 1948 | I certain conditions to personated made application. resolution of the executive board

of non-high school grad- tendent of schools.

A fee of \$4.00 is charged for of this food conservation program and enthusiastically adopted the plan. Each Scout and each Scout leader is urged to plan for an enlarged garden to grow | more food. Many of the farm Scouts will be able to help on 1 greater acreage of crops.

If the Scout has no space for 1 a garden, then he is especially lurged to save food so that he can feel that he has saved a bushel of food which can go to starving

In any event, each member of the Seneca Council, Boy Scouts of America, is urged to "share a bushel" of food with those abroad. This can be done raising more so that there is a surplus, or by saving more that a surplus occurs. Then each! one is urged to aid any one of the several organizations which lare sending food abroad.

Natural Anxiety Young Wife: "Now, Bill, | want you to go around to the 1 minister and arrange for having I the baby christened." Bill (shipyard worker): "You! mean to say you are going to let somebody hit that little thing over the head with a bottle?"
