They have made the boot school during classes or in public son's Greetings" on it. recording grades on permanent making Christmas decorations. (Hi Herald continued on Page 11 places is completely obscure.

A polite person, if there were one to be found who was always AUDIOMETER TESTS planned effort on the part of the polite, not acting under pretences when there is someone around whose attention he wishes

take them for granted, forgetting pitch-ranges. to make a note of them or thank the person. As an illustration F.H.A. GIRLS HOLD of this, I would like to point out the courtesy of some of the boys of or school. Few of the boys Tuesday evening, Dec. 9th at: _

are walking when they are about the home economics room. variably will allow the girls to girls. get a drink first even tho it may make them late for their own

.s Smith's Shoe Store Suggests ' It is the general trend that as! boys and girls become older they become more conscientious of the others around them and try to abide by the "Golden Rule."

This is particularly noticeable in the cafeteria during the noon hours. Most of the boys and girls have enough consideration. for the teachers who have special? duties at noon, to allow them to proceed to the head of the line! so that they may have time to! eat before they must be about! their tasks.

I am sure that we are all advocates of politeness, so let's first! take a close look at ourselves to see where we can improve our

If we go to the movies, there is always the courtesy that girls! should extend by removing their hats, if they be large, so that | those patrons in the row behind! us may see the picture without sacrificing a comfortable position to do so.

Similar instances of politeness could be mentioned, but I am sure! that we all know what they are and if we observe what we do and say a little more closely we will be amazed at the courtesies! we forget in the course of a day. It is to make the world a finer! place in which to live that politeness was created, so let us do! our part to achieve this aim.
