Police Training School January 14-15-16

County Civil Defense Director Robert L. Coulter announced that Major James S. LiCalzi, Commanding Officer of the 542nd Ordance Detachment, stationed at Governors Island, has authorized the presentation of a training course for police personnel j

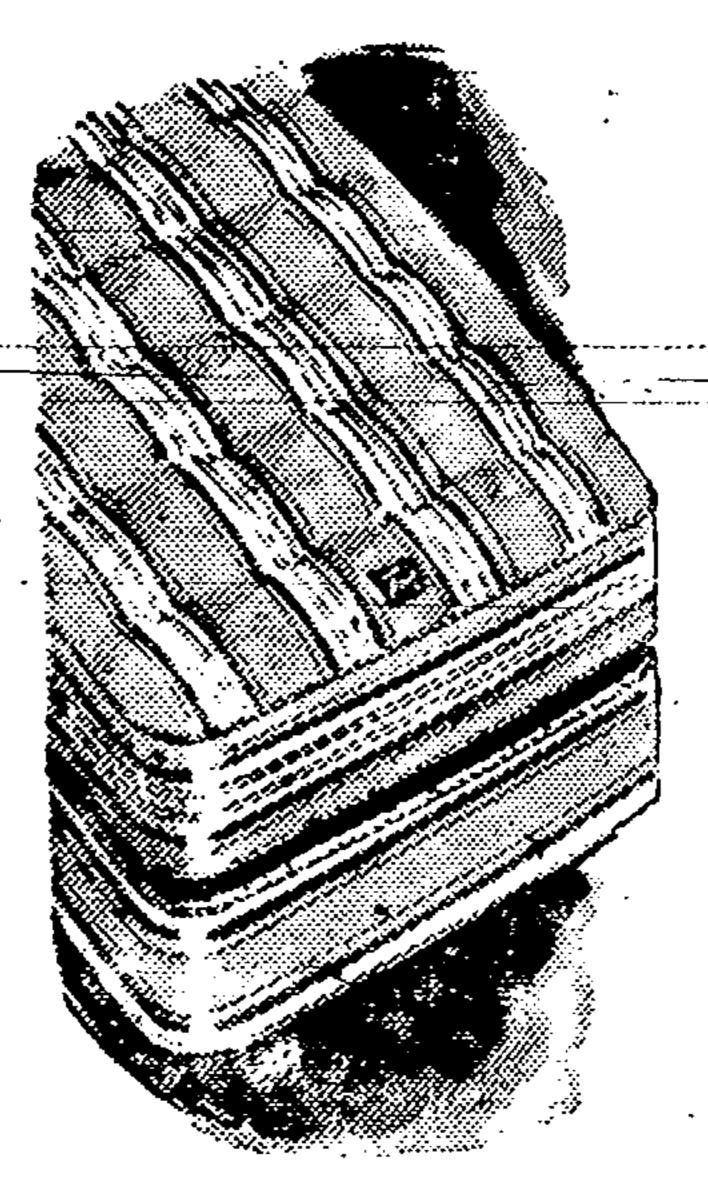

Allegany County. This course has been worked out between the FCDA and U.S. Army and trains men in the recognition of all explosive ordnance and the action to take upon discovery of same. 1st Lt. Walter Korsgaard, Commanding Officer of the 40th Ordnance Detachment at Ft. Niagara will conduct the course on January 14th, 15th and 16th in the Nancy Howe Auditor-

the Civil Defense staff was very pleased at having the Army agree to present this training as would be vital in a war emergency and is of considerable everyday value as there are many places of small explosive ordnance around which have been brought home by

New Drug Fights Ills Of Penicillin

A drug that counteracts the . harmful side-effects of penicillin in humans has been developed. The announcement was made at Washington at the fifth annua Symposium on Antibiotics by Dr. Henry Welch, antibiotic expert tion, according to a special release to the New York Times. The new enzyme secreted by many strains of bacteria, resulted in destruction" of the allergy-producing substance in penicillin. This new drug is not yet on the

A four-year nationwide survey (1953-1957), has shown an increase each year in serious aller-Welch said that about 10 per cent of the population or 17,000,000 persons were allergic to some desurvey disclosed a penicillin alfrom 3 to 10 per cent which is substantially higher than from

Dr. Welch said the study shows _______numerous_n that there should be a clearcut indication of need before penicillin vere side-effects were small when considered against the tons of

thousands of lives penicillin has
