by Joyce Day Qur's is a hectic world. No one walks anymore, everyone runs. We run when we get up in the morning, run to eat our breakfast. and then run to work or school. We run through our work, run through our fun, and then at the end of the week of running we run to the doctor to get some little pink pills to keep us from run-

Too Fast.

A visitor in America once drove to Niagara Falls, which he had heard so much about. He had come hundreds of miles to see the great sight. When about seven miles from the falls he thought he could hear the roar of water, and seeing a man in a field, inquired, "Are those the falls I hear?" the it is?" With surprise the visitor and raised here was the answer. "And yet you don't know if that seen them, I am too busy with my

Stuckn's Meet With Ithaca College Representatives

by John Common A few students from the Junior Class met with a representative Friday night, Joyce Day, Judie from Ithaca College. The Juniors attending were: Cordelia O'-Dell, Carol Clark, Carol Ryan, Alberta Phelps, Edgar Robert McClure, Robert Conde, James Mulholland, Robert Sack-

ett and John Common.

Mr. Swainback talked on the cost of college, the life of college, scholarships, and extra-curricular , activities. The talk was mostly for the people interested in Phys-Ed, music, and secretarial work. Mr. Swainback was very pleased with the number of Juniors interested in college. This was the Dick Rifenburg helped Alberta second college representative that the Juniors have had this year. The other one was from Hartwick College.
