Eggs and Cheese

Eggs and cheese combine perfectly to make a main dish for a meal—the chaese adds zest while four groups of articles that really the eggs contribute a velvety texture. Just serve a cheese souffle or a cheese omelet, cooked soft; then watch the smiles appear on the faces 'round the table.

Eggs cook most successfully at even, moderate temperatures High temperatures and long cooking toughen them. Even hard-cooked eggs are best done by placing them in a saucepan of cool water; bring the water to a boil, remove the saucepan from the heat, and let it stand for 15 minutes. Cool water or ice water—the shells will off easily. Serve these hard-cooked eggs with a cheese sauce for another delicious combination of two foods just meant for each other.

Life On The Farm Today

It is possible to have your cake and eat it, too! Recent surveys Grade 1 — Patrick Dempsey, show that many farm families Keith Brewster, Alice Marie Han- nowadays have the conveniences bach, Terry Hunt, Linda Murphy. of city living plus the advantages cerned, farm life grows increas-

In 1956, 94 per cent of farmoperator families had electricity, 52 per cent had telephones, 64 per cent had mechanical refrigerator 39 per cent had home freezers, 74 per cent had automobiles, and 53 per cent had television. And the

level of living of farm families is benefit from cold water washing. West leading.

One indication of this change in farm living appears in the type of dweiling that farm families are meets the dual, need of providing ter for farm business operations grees.

such a farmhouse in Cornell Miscellaneous Bulletin 18, "A Farm-Grade 10 - Wayne Brewster, obtained by writing to the Mailing Room, Stone Hall; Cornell Universiy, Ithaca, New York.

> Cold Water Washing Until a few years ago; very few

of us had ever thought or heard of laundering articles in cold water. Indeed, our grandparents went to great trouble to produce scalding hot water by heating huge tubs of their laundry would turn clean, fresh, and snowy white. It is still true that bed linens pillowcases, soiled towels, cottons and heavily soiled work clothes should be washed in warm or hot water. On the other hand, there are
