Confidential Reports

Of Senior Trip

by James Mulholland

Since 1956 the Senior Classes have been making annual trips to New York City. This year the "Class of 58", made their trip during the Easter vacation. Upon returning from their trip they were asked, in general, what was most interesting about the trip. Connie Burch—"The two sights which impresed me the most were

the Statue of Liberty and the Empire State Building". Gene Tingley—"It was a very

Carolyn Thorpe—"Yes, I know colleges in this state or elsewhere. all the seniors who had the honor Recently this corporation was also of taking this trip to New York, authorized to guarantee loans had an enjoyable time. The reawhich students obtained from pri-son, very simple, we had the privilege of seeing such things as Under this law, the student may Radio City, the National Broadapply for an educational loan to a casting Company, Battery Park, bank, and, if approved, the repay- the United Nations Building, the ment of the loan will be guaran- Cathedral of St. John the Divine, I is expeced that with such a guar- History and a tour through China-

Andover, N. Y., April 24, 1958-

HALL OF FAME

by Judie Baker

Herald

Welcome, Leo Burgett to the 1957-58 Hall of Fame in Andover Central School. Leo certainly deserved this honor by being outstanding in extracurricular activities as well as in his math-

science major. Leo was vice president as a sophomore and the president of This class for the last two years. He has also been on Student Council for the last three years. He was elected to National Honor Society in his sophomore year and chose to join in Hi Herald in his senior

Leo has also belonged to Camera Club for the last three years. He has sung in the Chorus and played on the soccer team since his freshman year. In other sports, Leo has wrestled and belonged to Varsity Club for the last two years.

Preparing for a career in engineering, Leo took the National Merit Scholarship Qualifying Test Charlotte Clark—"All in all, and was later accepted at the Un-
