It's Spring Clean-up Time...

Help your Junior Fire Marshals make ours a fire-safe community

In a day or two, our youngsters start the Spring Clean-up part of their Junior Fire Marshal program. They'll be leaving a reminder tag on your door . . . with fire prevention tips that may save you or one of your neighbors from a tragic fire.

We, as your local Hartford Fire Insurance Company Agents, are happy to sponsor these Junior Fire Marshal activities. We hope you'll encourage the youngsters . . . they're working to make our community a safer place in which to live.
