The Annual Campaign of The Salvation Army in this area is butions have been received, both from industry, organizations and

The campaign was conducted mostly through the mail, in the of a "mail appeal". No doubt, because of that fact, many prospective donors have not yet been contacted. If you are in that number who have not been solicited, it is not too late to make a contribution at this time.

Your help is urgently needed to make this campaign the success it deserves to be. Because of the vast number of unemployed, the case load of welfare cases in the Army's files have increased tremendously. Even with the Army's well known ability to stretch a dollar, the full need cannot be met unless more financial aid is received locally.

You, the friends of the Salthis campaign a success, can assure your neighbor a helping hand Mr and Mrs. William Porter of in their time of need. The local Service Unit will see to it that every contribution to this campaign is used where it will benefit Mrs. Delores Clarke attended Florence Greene, Mrs. Raymond
