Tomorrow morning, July 25th, the bus leaves the Playground at 9:00 A. M. to travel to

Boys 7 years up to 12 years of age are asked to come along. There will be two games, one for the 7 to 10 year olds and one for to 12 year olds. The bus will return by 1:00.

32 Wet Pack Carriers Go On Hike

Tuesday, July 22, at noon, 32 ambitious hikers walked to the Town Grove only to get wet on the return journey.

We started out from the rear of the school in spite of previous and threatening rain drops. The hike which was planned for anand Danny Stackwick was led to Grove because of cloudy skies. Upon arriving at the location selected, those who had something to cook proceeded to build the fire. Some had hot dogs and hamburgers while others wrapped their food in tin foil and cooked it in the fires

Atfer everyone had eaten their lunch most everyone played hide laces. and seek while others helped clean up the area and put out the fire with dirt. About then it started to rain harder and so we walked home noon at 3:00 P. M. the Playground in the rain. But the 32 hikers

didn't let the rain spoil their

fun. In fact they and a few

other pack carriers are going in

another hike next Tuesday. Dear Readers

I am Ping Pong Pete at your Carol "Ping" Miles and Penny "Pong" Hames seem to be our top players in the girls division

Tom Freeman and Gary Wightman are giving the girls quite a bit of competition. Last week Coach "Ed" Stackwick lost a candy bar to "Ping"

Greenwood Central School

Over 70 boys and girls have registered for the Summer Recreation Program at Greenwood sponsored by the Town of Greenwood and New York State Health Commission according to an announcement made today by Charles McMullen and Mrs. Burdett Greene, playground directors.

Games are played each day such ' as: croquet, bat tennis, bowling. ping pong, haseball, softball, hand shuffle board, table tennis. basketball, etc. Some time is also spent on handicrafts and art. Films both of the educational and entertainment type are part of

A bubble gum contest was held last Friday with Jolene Cheesman receiving first prize, for Jackie Tournor and Valencia Greene third winners were second and respectively. A ticket contest in connection with Booster Night was held Monday.

Thursday the group enjoyed a 10:30 A. M. Sunday School hike to Bust Hill. Gloria Wallace has assisted each day with the younger children. Additional help in the hike was given by Sally

The boys have formed two base ball teams. Two games were played with Troupsburg, with Greenwood winning both games. George McCaffery donated his services as bus driver. A game was scheduled for Tuesday morning at Andover. An exhibition game was played July 23 at 7:30 p. m. for the annual Booster Night The swimming pool has been

open only one day of the two weeks the program has been in operation. Heavy rains washed out the dam so that it has been necessary to rebuild it twice. Rebuilding was delayed by the depth and force of the water. The dam was put in with the cooperation of Alex Brown, Road Supervisor of the Town of Greenwood and Ed ward Mullen who was in charge. He was assisted by Shirley Holt. During afternoons when the pool the playground was supervised by

Charles McMullen. given each Monday and Tuesday. Band practice is held Monday evenings preparing for band concerts and a parade. Special instruction is given in marching maneuvers under the direction of Anthony Cappedonia.

Wednesday, July 23, was set for the date of the annual Booster Night in Greenwood, The program started at 7:30 p. m. and was sponsored as a community project in support of the Town ates six weeks each summer. State Youth Commission is supholes. Three holes have a number ported by local funds which are

McMullen in charge of

the older children and Anthon Cappedonia in charge

America's National Forests Summer and Winter, the use of America's 148 national forests is on the increase. Last year, nearly 61 million people visited these protected public lands for recreational purposes. Aside from picnicking and camping, which represent more than one third of the activities, chief uses of the forests are for fishing, hunting, winter sports, swimming, hiking, and rid-

The Forest Service is working to double camp and picnic facilities. Besides, each season there are needed replacements and major repair jobs. The service also hopes later to develop shelters for trail users and primitive campsites for travelers.

As they work to keep up with popular demand, it becomes the responsibility of every park visitor to follow good fire prevention rules, and, in general, the
