New Edsel Car To Be Shown In Horne!!

mus with automobiles in the Hornell area for 37 years in now iden -- Spicer and sons of Wellsville in tified with the most completely. new car in America, the 1958

Robert P. Elsenheimer and Donald Elsenheimer, members of the Arkport Motor Co., will serve as president and secretary, respectively, of the rew firm, Elsenheimer-Edsel, Irc. James Fuller of Arkport will be treasurer and general manager.

The new Edsel car, the first entirely new American automobile in 19 years will be shown in Elsenheimer-Edsel, Inc., at their formal -opening in Howell, 363 Seneca 4 from 7:00 A. M. until 10:06 P.

Door prizes, souvenirs and radic broadcasts will feature the showing of the truly original car which the Elsenheimers describe Mrs. Frank Holmes. as -not a copy of any exisiting car, but a true innovation in the automobile field. The new car, named after Edsel

duced by the Edsel Division of the -Ford Motor Company and was developed at a stated cost of \$250. Elsenheimer-Edsel. Inc., is the

first and only dealer in this area to sell and service the new Edsel

News Briefs of Local Servicemen

Following is a letter received by the Andover News from AB James C. Harvey: Hi Folks:

Before I left I promised many people I would write but I just haven't had the time to do so. I will give you a quick rundown on my activities since I left your

On the 28 of June 57, I reached Lackland Air Force Base in Texas where Fstarted my basic train-

I had three of the best Drill Instructors on this base, they were A1C Sweet, A2C Robertson and A 2C DieGussippe.

Our flight took ton honors on the rifle range and also took top honors in the phase test at the end of the first phase.

My career field turned out to be Air Police Field.

On the 28 of July I finished first phase and moved to the 3628 Student Squadron on this base. For three and one half weeks I was in personal awaiting training barracks. While I was awaiting training I pulled various details.

On the 21 of August I started my training for Air Police Work. Our flight is composed of 38 men. Our day starts at 4.45 A. M. when we arise, at 5:00 A. M. we fall out for revale. After revolie we fall back in the barracks and eat and then we police the area. At 7.00 we start classes and then at 1.20 we have mail call. At 5:00 P. M. we est show. In the evening we clean the

barracks, shine shoes and write At 9:30 P. M. we hit the sack and that is a routine day in the life of a student in the A. P.

Would like to hear from some of the local people to keep in

I will graduate from school on October 30 of this year. My ad-
