For that reason

GOP nominee straight on his Madison Avenue farm philosophy. Since 1955 Governor Harriman's Administration has shown farmers over and over again its eagerness to help them with solutions for their problems. Just in case the Republican Nominee for Governor was not in the State, or nation, for that matter, a good part of that period, "let's look at the record."

take this means of setting the

The milk marketing orders the GOP nominee says he would strengthen in effectiveness have been operating in New York State since the 1930's. They came about solely through legislàtion enacted Washington and Albany by Democrats, headed by the then Governor Herbert H. The Republicians bitterly oppose that legislation, and New York dairy farmers remember that GO1 opposition. Despite the obvious need for modernization New York Metropolitan Area Mi. Marketng Order during the years the Republicans had a Go ernor in Albany and controlled the Legislature at the same time, no a single step was taken by the GOP to bring the Order up to date. Dairy farmers know that it was Governor Harriman who called their industry's leaders to a meeting in the Executive Mansion in Albany on Feb. 22, 1956 to discuss means of getting producers a better return on their milk. Governor immediately telegraphed the producers plea for help, and ment of that plea, to Republican Secretary of Agriculture Ezra A Federal-State
