Home Demonstration Department

Janice Hogan, Agent

October and November are the months when sweet potatoes, squash, and pumpkins are most plentiful and lowest in price. These orange-colored vegetables the cold, brisk days of fall itself,

are excellent sources of vitamir A, according to Miss Janice Hogan, home demonstration agent for the Allegany County Cooperative Extension Service. In fact one medium-size fresh sweet potate provides about twice the rec. the Preliminary Buckett of the recommended amount of vitamin Mrs. Eleanor Leon and Mrs. C, and 11 per cent of the day's

Although a serving of winter squash has only half as much vi-Stephen Clarke attended the G tamin A as sweet notatoes, nevertheless it supplies us with our day's quota. One-half pumpkin yields more than threefourth's of the day's allowance.

Since these vegetables are pack ed with vitamins, then, we should learn all we can about them and serve them often. Most of our sweet potatoes come

crop is expected to be 4 per cent larger than average. Maryland and Virginia, which are other sources, also expect larger than average crops, while North Carelina's will be 7 per cent smaller

Although available all year round, sweet potatoes are lowest in price in November, squash in October. As for pumpkins, almost Potter attended the funeral of the entire year's supply is har-Mrs. William Rindgen in Wells- vested in October.

According to recent prices in Mr. and Mrs. Carl Tassell and one Ithaca market, fresh squash, though they may not be quite as squash and pumpkin can be kept for months in a cool, dry place at a temperature of 50 Degrees R.: but the vegetables should be un-

bruised and with the stem attach Early fall sweet potatoes come to the market uncured and should be used soon after buying. Late fall and winter sweet potatoes, on the other hand, are cured and can

There are several varieties of

New York's voters are aware that his Administration has sought emor Averell Harriman, in a special statement sent to the Allegany County weekly newspapers, that "the Republicans have always taken Upstate New York for granted. The situation under the Democrats has been different."

The Governor said that state aid for education in Allegany County had increased 40% in four years, from \$2.9 million, instead of the 33.6% loss predicted by the Republican Big Lie of 1954.

The record on roads for Allegany County is also outstanding, Harriman said: "Toll free highway construction is up \$2.2 mil. lion over his predecessor's last

Citing education as government's foremost obligation. Governor added "our objective should be to see to it that no individual with the ability and the willingness to work is denied the opportunty for the fullest development of his capacities." He pointed to the exparded opportun-As for texture, it may range ities for young people of Allegany from dry, yellow and mealy to soft County through the construction of new facilities at Alfred Agricultural and Technical Institute. where two dormitories, housing

Why Change?

has the ANSWER

Since 1856 Allegany Co. Representation in the Assembly: Republican - 37,230 days __ 0 - days Democrat -

The ANSWER is PLAIN! We ALLEGANIANS have been taken for granted TOO LONG!

The Republicans are so very sure of us they rarely ever ask for our vote. The DEMOCRATS are sure of us for the opposite reason — but we still ASK: Consequently, all of us in Allegany Co., are left to wither on the vine. Bring the political walls tumbling down and

help everyone in our County by sending a DEMOCRAT to Albany. Make HISTORY — 1st Allegany's voice be

heard throughout the land! VOTE for SCHAFFER — ROW B
