Electrical Radio And Electronics Rates Wide Open In The Coast Guard

Men in the electrical, radio and electronics fields have a fine opportunity in the coast guard at this time, particularly those men with previous service in the coast guard or navy. These men may be enlisted in one of the above fields up to and including First Class Petty Officer or Pay Grade E-6.
 The Coast Guard's need for these ratings has become acute due to the ever expanding duties that the Coast Guard performs. Schooling in all fields is at a high level at this time for men without

prior service and men with prior service who do not have a specialty. For further details see your Coast Guard Recruiter at Room 123, Federal Building in Rochester, N. Y. or call HA 6-6193, between the hours of 8:00 a. m. and 4:30 p. m., Monday thru Friday and between 8:00 a. m. thru 12:00 Noon on Saturdays.
