In Appreciation

It is at times like this that one is overwhelmed by the hand of friendship that is extended. Words are inadequate to express our deep gratitude for the gifts and the assistance in so many thoughtful ways during our sorow. Please accept our most sincere appreciation.

In Memoriam

In loving Memory of Richard Coats, who passed away two years ago February 22.

Softly the snow is falling;
Down on a silent grave;
Where lies our dear one sleeping
The one we loved but could not save.

His smile is gone forever,
His hands we cannot touch;
Still we have so many Memories,
Of the one we love so much.

Sadly Missed by
Mother Willis, Wife, Julia,
Son John and Sister Marian

"Shouldn't we start one for the baby?"

Definitely, yes. A savings account that's small, at first—like the baby... can be fed at regular intervals... enriching the formula as circumstances permit.

Thousands of youngsters get to college on bank savings that started when they did!
