An Editorial To The Swimming Team

The Hi-Herald staff wishes, at this time, to congratulate you for a fine season in swimming. Your hard work and enthusiasm have won a good deal of recognition for Andover.

Since this is only your second year in competitive swimming, you reserve special congratulations for your excellent showing! Next year we'll repeat even Wayland to make it a clean sweep and to make the name of the "Andover Frogmen" even more formidable in our area.

To those of you who are going to the sectionals, we wish you good luck and know that you will make a fine showing in Rochester.

Finally, good luck at your next and final meet with Lakemont Academy here this Saturday. We are sure you'll have a big crowd to support you in your final win! So, until next year, we hope you'll continue to work as hard as you have this year to maintain this outstanding record for a small-town swimming team!

Senior Interview

Charles Kenneth Burdick is a rather unique student. He is completing four years of high school in three years. Better known as Charlie, he is the son of Mr. and Mrs. Kenneth Burdick of Tip Top. Charlie's major has been math and science. He was president of his freshman class and is the vice president of Camera Club this year.

Activities which Charlie has participated in Hi Herald Camera Club and National Honor Society; each two years, and band for two years. He played on the basketball team for two years and the soccer team for one year. Charlie has also been a member of the Presbyterian Youth Fellowship for three years.

Many favorites are on Charlie's list. Some of these are: food anything Italian; color, blue; subject, chemistry; sport, basketball; pastime, "riding around and enjoying nature"; and saying, "Hi Honey!" Charlie's pet peeve is people who think they are better than anyone else. His philosophy of life is "You can only young once so enjoy it while you can."

Next year, Charlie plans to attend Alfred University where he has been accepted.

Purple And White

Last Thursday night, to the delight of all ACS students, the Varsity basketball downed Belmont 50-48. With 6 seconds showing on the clock, Jim Cannon made 2 foul shots to "ice" the game for the Panthers. Although Belmont made another basket, time ran out before they could score again. Doug Mulholland had 21 rebounds and 14 points to lead the Panthers in both departments. Dan Stackwick had 13 points and Ike Conner had 12 points and 17 rebounds. Due to the loss, Belmont is now eliminated from participating in the sectionals. First and second place in the league will be fought over by Cuba and Alfred-Almond.

This Tuesday the County All-Stars will be chosen by the coaches; also the Foul Shooting Tournament will be held March 2nd in the Friendship gym. Each team consists of five members who shoot thirty four shots apiece. A trophy is given for the team which makes the most shots and also for the individual high score.

The County Wrestling Tournament was held last Saturday in the Cuba gym. Although Andover did not have any winners, five of "our" boys placed second.

This Tuesday the last game of the season will see the Panthers host Friendship. Let's all turn out and see the Panthers beat Friendship! Co-Capt. Joe Carr, the only Senior on the squad, will be making his last performance in an Andover basketball uniform.
