Meet Your Candidates On Democratic Ticket

In the March 19th Election contest two local men will seek election under the Democratic Party banner for Village Trustees.

Harley Glover who resides on Rochambeau Ave., is employed by the Home Gas Co. His years of experience in this employment will serve beneficially in the various departments of Village projects and transactions. Mr. Glover is also manager of the TV Coop and has proven efficient in that line of work.

Avery R. Mead lives on Greenwood Street and is employed by Plastics Inc., in Wellsville. An ambitious young man with a lively interest in the growth and progress of his Village, Mr. Mead has chosen to seek office for Trustee.

Our candidates pledge to return local government to all our citizens on an impartial and cooperative status.

You Should Buy Your Aspirin Here --Where You Get

DRUGTAX
A SERVICE TO TAXPAYERS

This may come as news to you, but aspirin is one of those drugs that may be of a deductible nature on your federal income tax return.

But to claim it, you must be able to offer proof you bought it.

When you buy it from us, you get that proof. But when you buy it at the corner grocery, or in a department store, or in a restaurant, you are likely to forget about it.

That goes for a lot of other things, too—such as antiseptics, cough and cold preparations, laxatives, and so on.

Our customers like to buy all of their drug supplies from us, because they know they will get the benefit of a complete record of all purchases of a deductible nature.

Our customers get an annual statement (mailed in February) which tells them how much they spent on drugs of a deductible nature. It's called a DrugTax record, and we offer it to our customers free of charge.

Next time you buy aspirin (or any drug item), be sure you're in a store that gives you a DrugTax record. Come income tax time, it can save you money.
