FASHIONABLY LATE

by: Lee Kessler
Many times teenagers, as well as adults, think that tardiness is both fashionable and comical. However, the habit of being late does not have a pleasing impression upon those who have to wait.

Private Eye

Hello there "Old Chaps"! This is Dr. Watson again, reporting the latest clues uncovered while prowling around Andover and Wellsville this week-end.

It seems Bonnie F. and Vikki W. were seen at the show Friday night. Enjoy it girls? The Dinet was active Friday too! Must have livened up after the Juniors finished play rehearsal.

Did some Andover boys camp out Saturday? I wonder. Know anything about that Don G. or Don H.?

At the show Saturday I spotted Penny, Racquel, Alice, Bobbie and Pat G. (Showing Racquel a typical U. S. movie Penny?) I also spotted Bill C. and Mary E. Smith.

The a forementioned group was also followed to the Community Center for the dance afterward.

Hey Lee and Jackie, did I see you having a party at your new house? Couldn't wait to initiate it, huh?

Say, the grape vine has it that Lynne C. is having a guest for dinner Thursday. Could it be Denny W.?

Well, see you next week with more evidence. Cheereo!

Purple And White

A Physical Education Demonstration will be given in the gymnasium by both boys and girls on April 25th. The exhibition will include various physical education activities and gymnastics performed during gym classes such as the use of the parallel bars, horse and spring board.

In the Swim and Stay Fit Program we have left the State of Colorado and are in Utah. The last two weeks the boys swam 235 miles. Two letters have been received one from Governor Dalton of Missouri and another from Governor Rhodes of Ohio, both commending the students on their physical fitness project.

The boys are in the gym for the next two weeks working with the apparatus while the girls are in the pool.

The first baseball game is May 2nd with Belmont, here.

HALL OF FAME

by Karen Rosintoksi

This week the spotlight falls on Janis Kay Reil. Janis has majored Math and Science. She has been in band for four years, being treasurer in her Junior year and vice president in her Senior year. She has participated in chorus for three years, pep band for three years, orchestra for 4 years, dance band for four years, and Hi Herald for four years. She has been a member of Student Council for four years, being secretary in her sophomore year, vice president in her Junior year, and treasurer in her Senior year. Janis was also in Camera Club four years, National Honor Society three years, cheerleader in her Senior year, president of her Sophomore class, and secretary of her Senior class. Janis has taken part in both class plays, CYO, and has been in the church choir for four years.

Janis received the geometry award in her Sophomore year and the Math award last year. She plans to go to Potsdam. Janis was subscription editor of her class yearbook. For Janis, we wish

Janis Kay Reil

nothing but the best in future years.
