Angelica Raceway To Open May 24th

With warm days and sunny weather just around the corner, the stock car boys have been busy. Specifications were out last fall so mechanics had the winter months to dream about the coming season.

Everywhere one turns it seems stock cars are under construction. Wellsville, Fillmore, Belfast, Scio, Belmont and other communities will supply plenty of amateur drivers. Cuba alone has four amateur cars ready to go.

The 1963 season will see the return of two popular drivers, this time in the modern stock division. Irv Hall and Moe Kessler are building cars. Irv has a 1956 Ford ready and Moe a 1959 Ford. These and other Class A Modified drivers will add competition that fans will like. In checking, we find Pete Tinguie will be back to defend his track high point records in a 1959 Olds; Devere Bliss, The Layfield Memorial winner, will start in a 1957 Chevy while building his 1959 Chevy; Roger Ott is again determined to stay with his Buick with which he won the final track championship.

The 1959 Ford seems to be popular with its cubic inch motor. Drivers and mechanics say they can take Pete Tinguie's Olds this year. Maurie Smith of Pike and Don Witherall will be seen in a 1959 Ford.

Next week, we hope to report on other drivers. In the meantime, mark May 24th on your calendar as the opening night at the Angelica Raceway.
