A CHANGING HIGH SCHOOL

There are only a few weeks remaining for this year's seniors. Soon they will be graduating and a new senior class will take their place.

It is customary at this time of year to wish the seniors the best of luck, and to tell them that they'll be missed next year.

Each time a class, such as the Class of '63 leaves, the process of metamorphosis is taking place in the high school. Not only is there a new senior class awaiting next year, but also a younger freshman class, eager to step into high school.

A school sees many such changes in its life-time. Each student who leaves is replaced by a new face and new ideas. This arrival and departure of familiar faces and dreams is an everyday happening in the life of a school.

Friday night, the Andover Baseball Team conquered the Belmore nine by a score of 1 to 0. Thorp was the winning pitcher.

The Swim and Stay Fit Program has reached St. Lake City, with the boys pushing for the miles in the next two weeks.

William Monroe will travel to Rochester on Saturday, June 1, to compete in the Shot-Put, after winning the County Title in Wellsville.

The Allegany County Tennis Tournament will be held on the Andover Courts on Wednesday, May 29th.

Senior Interview

Thirteen years ago George David Rossmann entered Andover Central School, and has been since then an active participant in many activities. He has been in Camera Club for four years, Varsity Club for one year, on the Soccer team for two years, and the swimming team for two years, and on our track team.

David is the son of Mr. and Mrs. Orval A. Rossmann and was born on April 15, 1945, in Wellsville, New York. His three brothers Danny, Gary, and Gregg and he live at R. D. 3, Wellsville, N. Y.

He played the parts of Robert Owen and Frederick Langston in the Junior Play, and was Pete Brent in this year's play. Offices he has held include being treasurer in his Sophomore year and vice president of the Senior Class.

Dave likes ice cream best of any food. His favorite pastime is camping. He would rather swim than be in any other sport. A blue Corvette Sting Ray is the car he would most like to own, in his favorite color.

His pet peeve is people who let somebody else do their thinking for them, and he believes honesty is the best policy. Next year Dave plans to attend Alfred Ag-Tech and study Electrical Technology and Electronic Communications.
