

FOOD FOR THOUGHT

An Editorial

On Monday, June 24, around 37 of you students will be presented diplomas signifying the completion of the New York State requirements for graduation from High School. It will mark the completion of at least 12 years of learning as prescribed by our educational standards.

For the Underclassmen — IT SHOULD BE REMEMBERED that the diploma is only a symbol of graduation! True, by showing it when of legal age you will be entitled to vote without having to take a literacy test. It may also help you enlist in the branch of Armed Forces Military Service that you desire, or may even enable you to enter the college of your choice, depending on what type of diploma you receive, and of course your regents marks.

However, your real Diploma will be in your personal folder which is kept on file for many years. This folder contains your total school record, your successes and failures together with your strengths and weaknesses. During the succeeding years many people, employers, investigation agencies and college representatives may inquire about your record.

Most of you will be proud of your achievement, and your record will be of great assistance, while some — who have been content to merely "get by" will find some doors closed.

Many High School Students don't realize how important a High School or College Education is or how much it will affect their income for the rest of their life.

We have taken the trouble to look up the information and quote the U. S. Bureau of the Census on the following information:

Income by School taken from the average income of males from 25 to 64 years of age as of 1961:

Less than 8 years of elementary School	\$3,483
8 years of elementary School	\$4,750
1 to 3 years of High School	\$5,305
4 years of High School	\$6,102
1 to 3 years of College	\$7,392
4 years or more of College	\$9,530

To you Underclassmen we say: It isn't too late to do something about it. Look well to your Laurels! Buckle down—work for them—then guard them well! They will help you throughout your whole life.

FOR THE SENIORS: — You, as graduates may have already come face to face with these facts. You will soon be starting a new phase of your education — whether College, Work, Matrimony or Duty in the Armed Forces. What you do, the kind of person you are — is still part of your total record — both on paper, and as a part of you!

You Seniors will be looked upon as adults after Commencement night and may very well be strictly on your own. You will find yourself in an entirely new segment of society.

The transition is not easy, as the stepping into the world of self-sufficiency can sometimes be cruel and disappointing. It will take courage, self-control and determination! It may mean sacrifice and sometimes — even compromise.

However, for YOU who set your sights high — regardless of what field you enter into — the opportunities, rewards, and personal satisfaction can very well be unlimited.

We Congratulate you on your accomplishments to date—and look forward to writing up your success in the future, and remember that: You only get out of life what you are willing to put into it!

THE FREEDOM OF THE PRESS IS BASIC TO ALL YOUR AMERICAN FREEDOMS! Only as your Newspaper is free to print the facts, can you be free to know them. Only as you know the facts, can you act wisely in the best interests of your Community, as you see them. In America, there is plenty of room for opinions. **THERE IS NO ROOM FOR RESTRICTIONS ON THE PEOPLE'S RIGHT TO KNOW THE TRUTH!**

Angelica Raceway News

Pete Tingue, the Delevan daredevil, bested a 15-car field to sweep around Don Witherell on the 25th lap to capture the 25 lap Angelica Raceway feature event. Witherell leaped to an early lead and held it for 24 1/2 laps. Tingue had moved into the fourth position when a second turn smash between he and Maurey Smith dropped him back to the tenth spot. It was then Witherell, Smith and Bill Layfield battling for the top spot as Tingue picked his way back through the pack. On the 22nd lap Tingue moved into the second spot. He and Witherell then ran head to head with Pete diving low in the turns while Witherell rode the groove. The white flag appeared and it was still anybody's race. It was neck and neck out of the turn as Tingue moved to the outside and captured the checkered flag by less than three feet.

The amateur feature was completely restarted after a three-car tangle involving Bob Williams, Gene Gayford and Zon Davison.

On the restart Art Werth took the lead and held on until he and Lowell Brown spun together in the fourth turn and Barney Johnson took the lead and was never headed. Zon Davison and Gene Gayford provided the duel for second spot with Davison nosing out Gayford at the flag.

Once again the qualifiers were Rattlesnake Hunt last Saturday, June 8th at Morris, Pa., resulted in capture of 105 rattlers, the longest a 47 1/2-inch snake. One pair of men captured a total of 36 snakes, for the biggest count numerically, and the women's division prizes were won by 39 and 37-inch rattlers.

crowd pleasers with close competition sparking every event. In the first heat the battle was between Dick Chase and Paul Herrington with Chase the winner. Bill Chase spun out of third place on the last lap. In the second it was Ray Jordan, Bill Allis and Bob Williams providing the action. Al Plank, Ed Baldwin, Bob VanName and Bill Layfield provided the third heat action while the fourth one had Sonny Wittmyer, Pete Tingue and Jim Hakes battling.

The first semi saw Moe Kessler and Don Klink trade the lead back and forth each time they went through the second turn. The Friendship fans nearly tore down the grandstand as Irv Hall beat Pete Tingue to the checkered flag in the second semi-final.

The amateur group continues to grow and provide the fender banging as the moderns get faster each week. Pete Tingue shaved 2 1/2 seconds off the old record time for a 25-lap feature.

Seating is available in comfortable grandstands and bleachers each Friday night at the Allegany County home of auto racing
