**ACS Students Save \$1,161 In Savings Club Plan**

Andover Central School students have saved \$1,161.00 thru the Andover Bank's School Savings Club Plan through the efforts of Donald Harvey, a junior at the high school.

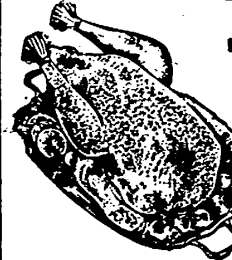

A Savings Club Plan was started for the first time at Andover Central School this year. The plan works very similar to the Christmas Club's. Each student is furnished a coupon book and payments are collected weekly by the school. Some of the goals the children are saving for are: College Education, High School Graduation, Scouting Uniform and Equipment, Fishing Tackle, Musical Instruments, Bicycle, Summer Camp, Camera, Model Trains and Airplanes, and Stamp Collection.

Andover Central School is one of the few schools in the area to participate in this plan.
