Annual 4-H Horse Show

The children of Mr. and Mrs. Charles G. Lynch participated in the Fourth Annual 4-H Horse Show held this year on July 13 at Cuba, N. Y. This show is sponsored by the Chamber of Commerce of Cuba.

Among the awards received by the Lynch ponies were three trophies. One of these was in the pony foal class being awarded for the second successive year to the foal of Belle Starr, the registered Shetland mare owned by Bobby Lynch. This is the fourth year Lynch foals have received this trophy.

A second trophy was presented to Miss Vicki Lynch for the best in yearling horse class. The winner was the sorrel filly, Velvet, from Vicki's riding mare Julie.

Bobby received the trophy in single driving class in which he drove Rub. This is the second year Bobby has won the single driving trophy. Martha Lou was the winner of this class the first year.

A new class for "Junior Riders" was started this year at the show. Juniors being described as under 4-H age. This class was sponsored by Lynch Pony Farm and the trophy presented by Mrs. Lynch. The winner of this class was Ella Lamphier, daughter of Mr. and Mrs. Harley Lamphier of R. D., Wellsville.

More than 200 horses and ponies owned by Allegany County 4-H members or their families were entered in the twenty classes of this year's show. This is a wonderful project and is growing larger and more worthwhile each year.

Growth Through Agricultural Progress

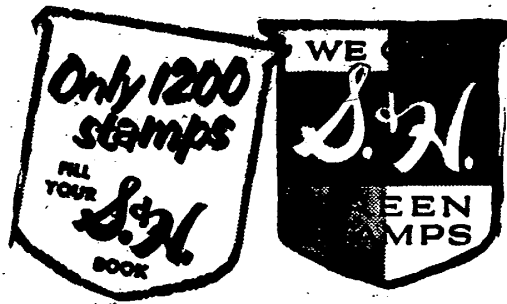

A CENTURY OF SERVICE

The United States Department of Agriculture was created by the stroke of President Lincoln's pen May 15, 1862. By proclamation of President Kennedy, the Department's centennial observance will begin May 15, 1962, and continue throughout the remainder of the year.

Our bank, because it is privileged to serve agriculture locally in so many ways, also has a keen interest as well as a significant role in agricultural progress. We join our farm neighbors in saluting a vital branch of the Government as it rounds out its first hundred years of service to a vital American industry.
