WELCOME FRESHMEN

At this time the high school students would like to welcome you into the mad rush and jolly times of senior high. Now is the time that many of you will be separated from your "best pals" because of different schedules.

Many of your subjects will certainly seem strange. Latin may even sound like a "foreign" language.

Algebra is quite different when you find out that there are negative numbers and that x^2 equals $2xy$ equals $y^2=0$.

If you get confused — REMEMBER—ask questions. Mr. Swimley will be the first to tell you that this is the way to get nine-five.

How about trying to squeeze in a little studying in study hall? That's what the word study in study hall means. If you don't need to study, others do, so use some common courtesy and be quiet. Freshmen aren't the only guilty ones. Upperclassmen have been known to neglect their study too.

As a Freshman, take in extra-curricular activities as long as they don't interfere with your academic work. Have fun, but remember you are in school for a purpose. It is up to you to decide what your personal purpose will be.

Beth Cable Named Senior of the Week

To begin this year's senior interview, we have chosen Beth Cable as Senior-of-the-Week. Beth whose full name is Beth Ellen Jean Cable, was born on April 1, 1946, to Mr. and Mrs. Francis Cable.

Among Beth's favorites are chocolate cake, potato salad, the color blue, and the song, "I Love You Because." In her spare time she bowls, listens to records, and actively keeps a scrap book.

Throughout high school, she has carried a business and homemaking major, and intends to enter a beauticians school in Buffalo or Rochester following her graduation.

While in high school, she has been an active member of the FFA for four years and the Library Council for three years.

As a member of the Senior Class she has always been faithful to the class, participating eagerly in all its activities.

Beth, we at Andover are glad to have known you throughout school and wish you happiness and success always after graduation.

Purple and White

This year it looks as if we will have a good soccer team. There have been two practices already. There were twenty-nine boys out for practice each night with a few more expected to be out by the middle of the week. There are seventeen players on the team who have had at least one year of experience and three seniors with three years of experience.

The first night of practice the boys elected co-captains to lead the team. They are Doug Mulholland, Bill Childs and Jimmy Cannon.

The Varsity Cheerleaders will be out cheering for the team.

Dear Gabby

Just thought I would let you know that I'm still around. I've been on vacations, but I'm back to work now.

There was a good attendance at the show Friday night, not only from the "kiddies" but also from the "older kids". Included were Don H., Jeff C., Jim P., Eddie S., Bill G., Penny H., Pat G., Bobbie S., Mary E. S., Sandy H., and Lee K. Was "Big Red" good?

It looked like Cary E. S., had a big Pizza Party Saturday night. Do Pat G., Jackie C., Penny H., Lee K., Bobbie S., Sandy H., know anything about it? I heard also that there was an interesting phone-call that night. What about it girls?

Bill C., got a new car. (a green 1964 Volk). Do you like it better than the Cad?

I'll have to get my spies out a little bit earlier next time because this week I didn't get much news. Be seeing you soon, Ann Landers
