Boyd Foster of Friendship, president of Allegany County Fire Chief's Association, reports a very interesting program is being developed for the first annual Allegany County Fire Conference. The conference will be held at the Cuba Central School and the new training grounds of the Cuba Fire Department on Saturday and Sunday, September 28 and 29.

Fire chiefs of Allegany, Cattaraugus, Livingston, Steuben and Wyoming Counties have been invited with as many firemen from their department as wish to attend.

The purpose of the conference is to demonstrate new equipment and techniques and to hear top notch speakers on fire fighting.

This type of program normally available only to fire officers at state convention, is designed to supplement the training activities of Donald Bledsoe and Robert Burgess, Allegany County Fire Instructors, and their counterparts in other counties.
