## Dearborn Gas Heaters

Render

Incomparable Quality

The highest compliment in the world is to be copied, to be a trend-setter. Dearborn is the most copied gas heater in the industry, and time has proven that its quality and performance is incomparable. Its outstanding heating ability, its famous exclusive "cool safety cabinet", its big speed Forward Heat Flow, coupled with classic styling have played a major role in establishing the tradition "Dollar - wise — It's Dearborn". All Dearborn Heaters are A. G. A. Approved for use with natural gas.
