Eye-Catching New Styling is combined in the 1964 Thunderbird with unique luxury features including thin-shell bucket seats and the auto industry's first retractable Seat Belts. A longer hood, integrated bumper grille and rectangular taillights enhance its traditional look of elegance.

New features of its cockpit motif interior styling include separate instrument pods, a distinctive new command console, and coved rear seats. An optional reclining seat for the front passenger includes an extendible head rest for complete relaxation on long trips. A new silent-flo ventilation system includes a vent at the bottom of the rear window on landau and hardtop models.
