How Are You Doing?

Five weeks have past and it's time to take a look at your marks. The marks you received this first five weeks give you a fairly good indication of how you will do the remainder of the year.

Of course, there is plenty of time to change what you don't like. All it requires is a little effort on your part. The teachers are doing the best they can. It is up to you, the student, to learn what you are being taught. Teachers can talk about it, stress important facts, and give you homework to do and to learn. However, the teacher can not learn it for you.

So how about it students? Do you want to change a poor English or history mark? Now is the time to do it, before it's too late. If there is something you don't understand, ask your teacher. He will be glad to explain it to you.

Purple and White

Last Friday, September 27, Andover battled Alfred-Almond to a tie in a double overtime period. The first score came at 1:26 in the first quarter on a penalty kick by Ira Conner. This goal gave Andover the spirit. At 14:00 in the first quarter Jim Cannon kicked one past the Alfred-Almond goalie for Andover's second score. This was all of the scoring in the first quarter. Alfred-Almond had a chance for a point in the second quarter on a penalty kick, but they failed to capitalize on the opportunity. Alfred-Almond obtained their first goal at 1:44 of the third period. This was the only scoring of the third quarter. Alfred-Almond desperately needing a goal in the fourth quarter to tie the score finally did tie the score at 2-2 with only three minutes and forty seconds left in the game. Both Andover and Alfred-Almond went scoreless in both of the five minute overtime periods.

Both Bob Joyce and the Alfred-Almond goalie had eleven saves. Andover had twelve shots at the Alfred-Almond goal while Alfred-Almond had thirteen shots at the Andover goal. Andover had one shot to Alfred-Almond's three shots in the overtime periods. This gives Andover a 1-1-1 record, one win, one loss, and one tie. Andover is still one game behind the league leading Alfred-Almond.
