

Legion To Sponsor Veterans Day Observance

Citizens of Andover today were invited to participate in the ninth annual observance of Veterans Day, Monday, November 11, sponsored by the Lynch-Burgett Post No. 397 of The American Legion with the cooperation and support of other civil organizations.

The parade will form at the Legion Home at 10:45 a. m., and march down Main Street to the Legion Park, where services will be held with the Rev. John Holmes as guest speaker. All Veterans and Legionnaires are urged to participate and the public is invited to attend the services at the Legion Park. The Andover Central School Band will also march in the parade.

By its participation in this patriotic holiday, The Lynch-Burgett Post will be joining with the more than 16,000 local Legion organizations throughout the nation and overseas in the observance of Veterans Day.

In its invitation to the residents of Andover to join in the Veterans Day observance, the American Legion urged that every effort be made to turn this holiday into a dynamic demonstration of patriotism. Each household and business establishment is urged to display the Flag of the United States in honor of the occasion.

"By our universal participation and active observance of Veterans Day, November 11, Commander Jack Wheaton declared, "we not only will show our community's measure of appreciation for the sacrificial spirit of those American patriots who fought to preserve America, but also will add strength to a nationwide expression of American patriotism and unity to dispel any doubts of our nation's strength of purpose."

In 1954, the 83rd Congress, at the request of The American Legion and with the support of other veterans organization, set aside November 11—formerly known as Armistice Day, as Veterans Day. In redesignating November 11 as Veterans Day, the Congress urged that it be an occasion for the honoring of all American veterans of all wars and a day dedicated to world peace.

In addition to its public participation in the observance of Veterans Day, Post No. 397 will join with others of The American Legion in utilizing this significant occasion as a Target Date in its 1964 Membership Drive. Andover has attained about 50% of its quota of 89.

Library News

National Children's Book Week, November 10th through 16th. The theme for 1963, "Three Cheers For Books".

Parents bring your children to your Library. There is a wide selection of various stories that your child could enjoy.

These free and easy days you can easily get a card admitting you to almost anywhere—but no other card can take you to the exotic, inspiring, out of the way places that a library card can.

This is also American Education Week. Education strengthens the nation.

OES Notice

The regular meeting of Anna W. McArthur Chapter No. 242, OES, will be held Monday night, November 11th at 8 p. m.

At this time we will honor Past Matrons and Patrons.

Refreshment committee for the evening will be Mrs. Helen Boyd, Mrs. Jeanne Allen, Mrs. Pauline Kent. All members are cordially invited to attend.

During the social hour slides of the visitations to County Chapters and trip to New York City will be shown by R. W. Clyde-Yorton.

Fire Department Holds Monthly Meeting

The monthly meeting of the Andover Fire Department was held Tuesday evening at the regular time.

It was announced that the New Fire Truck was in Elmira, where the body is being installed on the chassis, with delivery expected around December first.

The date for the Annual Firemen's Dance was arranged for November 27th at the Andover Central School gymnasium.

The Fire Department appreciated the co-operation received from local residents during the past dry spell.

Area Hunting Re-Opened

Last Friday, Gov. Rockefeller lifted most of the ban on hunting with the exception of Sullivan, Ulster, Orange, Rockland, Dutchess, Putnam and Westchester Counties.

The fire danger, which resulted in a record number of forest and brush fires last month, was still considered still too serious in these counties.

The re-opening of the woods in all other sections meant opening of the big-game season in northern counties and resumption of small-game hunting throughout the state.

Rain, and then the snow fall in this area over the week-end, helped our local area a lot more than it did in most sections.

Harold G. Wilm, Conservation Commissioner said that efforts would be made to extend the hunting seasons curtailed by the closing but that the details have not been fully worked out yet.

Mr. Wilm also stated that the decision to re-open the woods was based on "less than optimum conditions", and warned that extreme care should be taken to prevent further fires.

Owners of hunting camps in northern counties were cheered by the re-opening of the woods, where the big-game season had been slated to open Oct. 25th.

Allegany County and the surrounding area is scheduled to have the big-game season opened on Nov. 18 and last thru December 3rd.

Reports have come in to date that several area hunters have been successful in bagging themselves a wild turkey.

Costume Parade Largest One So Far

The largest Chamber of Commerce Costume Parade for Halloween to-date, started off promptly at 6:30 p. m., led by the ACS Band and proceeded from the Legion Park to the High School parking lot.

There they were served cider and donuts by a Committee of C of C members, "Bob" Baker, "Mike" Gath and Frank Russell. Between here and the dance at the Legion Home later, 18 gallons of cider and 30 dozen donuts were consumed.

The Parade then re-formed and marched down to the Theatre where the younger people were treated to an excellent show in Technicolor through the joint efforts of the Chamber of Commerce and the manager of the local Theatre.

The Chamber of Commerce Committee felt that their efforts were well received in staging the entire program and wish to thank everyone that helped make this such a big success.

Closed Veterans Day

Mr. L. J. Dziadkowiec, manager of the Olean social security office, wishes to announce that the social security representative will not be at the Wellsville Post Office Bldg. on Monday, November 11, 1963 due to the Veterans Day national holiday.

News That's Print To Fit

How many people have an unused refrigerator or freezer stored out in a barn, garage or even on a back porch where it is accessible to children? Do you have the catch taken off or have you taken the doors off?

Even though something like this is on your own property it is still classed as an attractive nuisance and the property owner may be held liable if a child should crawl into it and get themselves suffocated.

We don't know as to the legality of it in this area, but recently we saw where a small child was found dead in an old icebox and the owner was prosecuted under the law and it will probably cost him a mint of money before the case is closed.

It might be wise for all of us to look around and see if this condition exists on our property—and if so—it's a simple thing to just take the catch off or take the door off the hinge—it might save a small child's life, besides saving a great deal of grief and money.

Speaking of grief reminds us that something seems to be missing over around John's corner everytime we see Fatima, Kalopy or the kids going down the street until we stop to realize that their faithful little canine friends isn't at their heels anymore. It sure is great how we humans can get so attached to a pet that's with us most of the time over a period of years so that when they finally are gone its like losing an old friend. In this case even with the best of care the Vet just couldn't do anything more for the little feller so there will be a little empty spot in the hearts of the family and neighbors on Ely St.

In contrast to these emotions, we saw some "Dear Friends and Gentle People" really had themselves a "ball" with their "Hilarious Antics" over Halloween.

Trustee "Charley" and the "Editor Feller" feel that a card of appreciation is in order to all of their "Friends" that went to so much work and trouble to show who they considered to be the "Two Most Popular Men in Town."

We have also gone to the expense of taking pictures of these "Two Masterpieces" and have printed them in this week's edition so that all our readers can see and enjoy these works of art. (Really Paul, you could just as well have saved your film, money, and pictures for other purposes as "Dick's" camera is a professional one and is much more acceptable for newspaper work. Then too we have our pictures reproduced at the same Newspaper Office where you tried to get them printed at.)

Of course after the "Two Masterpieces" were on display, we of the News Force have incurred a much deeper debt for all the free services so cheerfully donated by the Pall Bearers, the Funeral Procession, the ride in Jim's hearse with full effects such as flashing red light, etc., and then of course for the "decent burial" at the Village Dump with all those kind words said in such "Solemn Ceremony." Last, but not least, we must not forget that rather mis-spelled and poorly addressed sympathy card with its meaningful message sent to the family!

After all it isn't everyone that doesn't get an invitation to his own funeral! (Although this is something that perhaps we might just as well be late to.)

In a personal interview with the corpus-in-victae the next morning we were told that the deceased had eaten a hearty meal at Dave's Restaurant the preceding evening and evidently had died of Ptomaine Poisoning before he could escape. However his spirit was revived the next

Enjoy Get-Together

Saturday evening ten couple enjoyed a "Get Together" Party at the Fire Hall for Auxiliary members and their husbands. Rummy, Parker, Cribbage and Canasta were played. Also for entertainment some of the brave ones ducked for apples.

Sandwiches, cake and coffee and a leisure evening of visiting and fun was enjoyed by all.

Maybe in the future more will be able to attend and we can have more fun.

Hallowe'en Dance At Legion Home Very Successful

The Hallowe'en dance held at the Legion Home for the ACS Students last Thursday evening had an almost capacity crowd all evening from the time it started at 7:30 until closing time at 10:30.

The Committee, composed of "Mike" Gath, "Bob" Baker and Craig Snyder from the Legion and Mr. Masters from the School, report that the Dance was supported far beyond their expectations.

The ACS Students under the chairmanship of Connie Lewis, Student Council Representative, made all of the necessary arrangements for the dance program and collected the records from members of the student body. They also did all of the work involved even to taking care of the clean-up detail.

According to Roland Masters, advisor to the Student Council, the Legion Home was packed most of the time with everything running smoothly all evening and everyone having a good time.

All types of music was played and different dances held so that everyone was included in the dancing program.

Only one dance contest was held with John Strouse winning this which was a Limbo contest.

More dances are scheduled for the future with one planned for this Friday night under the guidance of Mr. Al Barden as advisor to the Student Council.

Wellsville C of C Will Co-Sponsor Conference

A small Business Workshop, presenting first-hand information on how area businessmen and industrialists may obtain expansion and development loans from banks, public benefit corporations, State and Federal, and other lending agencies, will be held in Wellsville, Tuesday, Nov. 19 the State Department of Commerce has announced. The Wellsville Chamber of Commerce is co-sponsor of the meeting.

The one-day conference to take place in the David A. Howe Public Library Wellsville, is open to businessmen and women, and industrialists in Allegany, Cattaraugus, Wyoming Livingston and Steuben Counties.

Firemen's Auxiliary Notice

Andover Firemen's Auxiliary will hold their regular meeting Wednesday evening, November 13 at 8 p. m.

morning after drinking some of that coffee—Wow!, and thus he was able to continue on to-day. (With a few more coffee transfusions in between.)

In a post-mortem recently conducted it was decided that "The Two Moonlighters" that jumped over the traces apparently hadn't heard the story about "Killing the goose that laid the Golden Eggs", and that the sign painter evidently needed to go back to School so he could at least learn how to spell the word "Captain". Then too, Dave should learn how to "butter his bread better"—to keep the poison out of it, as well as some of the rest of the party looking up the law on "the disposal of corpses at a Village Dump". 10-4?

Election Results In Andover
