

Greenwood Central School News

The recently released Vocational Survey Study of the surrounding five-county area was discussed at a meeting of the Greenwood Home-School Club at its meeting Tuesday, December 3, at 8 p. m.

A small panel consisting of George Daulton, newly appointed District Superintendent of Schools and Lloyd Chaffee, President of the Greenwood Board of Education briefly outlined the results of the survey. A discussion period followed the panel's presentation. Mrs. Margaret Murray was moderator.

Donald Fisher, Club President, presided over the business meeting. During the meeting and program high school girl volunteers were available to attend younger children. A book was donated by the club to the room which is represented by the highest percentage of parents.

A short question and answer period was planned for questions that might appear in the question box, a feature of the meetings revived this year.

Following the meeting refreshments were served by the 5th grade mothers under the direction of a committee of Jeanette Jackson, Kathleen O'Hargan and Teresa McCormick.

The Honor Roll for the Greenwood Central School for the First Quarter of the school year was released by school officials recently.

The following listing includes both High Honor and Honor Students. In order to obtain a High Honor rating a student must earn an average of 90% or above. Those obtaining at least 85% but less than 90% are given the Honor rating.
