Angelica Raceway To Open Friday, May 22nd

Friday, May 22 marks the opening of the 1964 racing season at Angelica Raceway. The new season will find a big field of racing favorites.

With Holland, Perry and Angelica Raceways forming a racing circuit to combine racing points, the top drivers of all three tracks will appear each racing night in order to compete for top point money.

How is this for a lineup: Art Clark in his '61 Chevy; Pete Tingue in his '61 Olds; Dick Flagg in a '61 Chevy; Devere Bliss switching to a '61 Plymouth; Moe Kessler '61 Ford; Don French '61 Chevy; and Irv Hall, who was the 1963 Season Champion, has a 1964 Ford ready to go. This is only the beginning of a large field of Modern Stocks.

The Amateur Division has been changed to a Claiming Race as our Amateurs have improved to a point where they can no longer be classed as "green horns." The one year or less of racing experience has been lifted allowing anyone to enter this class if they operate the proper car.

A banner year is promised to all racing fans who enjoy top flight racing.
