Penny Hames

Vikki Woolworth

Receive Scholarships

Miss Penny Hames, a third alternate, won a State Regents Scholarship for study at Syracuse University towards a degree in nursing. This scholarship is good for four years.

Miss Vikki Woolworth won a Regents Scholarship awarded to a child of disabled veteran. The State awards 500 of these scholarships. In February 1964, the State announced the names of 428 winners. Just recently they announced the seventy-two others. Vikkie was among those. This scholarship is for four years also.

Editorial

by Vicki Lynch

Time has the peculiar characteristic of passing faster than you expect it to pass. This has been particularly true of the school year just now being completed. It hardly seems possible that my year as Editor of the Hi Herald is drawing to a close. I have not accomplished as many things as I had hoped, and yet I feel a personal gain from the experience I have had.

At this time I would like to thank the Hi Herald members for handing in assignments, Mr. Allen for printing as much of the material as possible, and Mrs. Woodruff our faculty advisor, for spending such a tremendous amount of time correcting "copy".

My thanks go out to our readers also who have been so encouraging from time to time. Without each and every one who contributed in the smallest way, my year as Hi Herald Editor could not have been accomplished.

I extend greetings and good luck to next year's Editor, whoever you may be. My sincerest hope is that your experiences may be as worthwhile to you as I feel mine have been to me.

Senior Vacations

In years past it has been customary to publish the future plans of the members of the year's graduating class—so it seems only right that it should be published this year. With that in mind, here are the plans of this year's seniors. A few of the seniors, whose names I have not mentioned have not made definite plans for the future.

Many girls are entering the field of nursing from this year's class. They are: Jacqueline Conde and Mary Ethel Caple, Arnot-Ogden Hospital, Elmira; Deborah Collins, Clara Maass, Belleville, N. J.; Penelope Hames, Syracuse University; Barbara Smith, Upstate Medical Center, Syracuse.

There are many who plan on attending two year schools. They are: Victoria Woolworth, Douglas Mulholland, Bill Ford and Victoria Lynch, who have been accepted at Alfred Agricultural and Technical Institute. John Coats is planning to attend Canton Ag-Tech and Dan Rossman plans on attending Cobleskill.

Beverly Clark and Linda DeRemer have been interviewed and are still awaiting a reply from the FBI.

are planning on attending beauty school; Beth, Robert's Beauty School Buffalo and Evelyn, Continental Beauty School, Rochester. Central City Business Institute has enrolled Bonnie Fuller and Ethel Perry for their first semester next fall. The school is in Syracuse.

Those enrolled in a four-year curriculum are: Karen Rosintoski, Brockport State; Lee Kessler, Grove City College, Donald Harvey, Syracuse University; William Childs, Ohio Northern, Ada Ohio.

Connie Sisson is enrolled as a student in Humboldt Institute, Minneapolis, Minn.

Mary Ellen Smith plans further education at St. Alaycus in Altoona, Pa.

William Emery is planning on training for a career as a State Trooper.

Gary Freeland and Ron Kemp have enlisted in the Navy. Don Kemp plans on entering the Army.

Senior Interviews

This week we are pleased to interview Victoria Ruth Woolworth, daughter of Mr. and Mrs. George Woolworth of Marietta, Georgia. Vikki, and her sister Janet reside with their grandparents, Mr. and Mrs. Lloyd Cory, of Elm Valley.

Vikki has been very active throughout her high school years, including secretary of her freshman and sophomore class, two years in Hi Herald, three years in FHA, one year in Student Council, one year in Library Council, two years as a Cheerleader, four years in Camera Club, secretary and Student Council Representative for the GAA, and part in both the Junior and Senior Plays. She was also in charge of subscriptions for the yearbook.

Her favorites include: food barbequed chicken; color, blue; song, "Chapel of Love"; subject, Biology.

Vikki's favorite pastimes are marching with the Blue Devils, roller skating, horseback riding, and participating in all outdoor sports.

Vikki is always caught saying, "Oh Darn!" Her philosophy is "Never underestimate the power of a woman". Her pet peeve is self-centered people.

Vikki has majored in Math and Science and plans to go on to Alfred Tech to become a medical lab technician. We wish her the best for her future.

This week's interview is centered around Karl Richard Wittie,

son of Mr. and Mrs. Richard Wittie. Born November 22, 1945, Karl, better known as "Kubby", has an older sister, Deanna and a younger brother, Marty.

Throughout high school, "Knubby" has majored in Art and Science, while being active in the following activities: Student Council, Art Editor of Yearbook, Senior Choir, Camera Club, track and soccer.

Some of his favorites are: food, meat and potatoes; color, ultraviolet; subject, art and favorite sport, swimming. His pastime is doing anything out of the ordinary and he can usually be heard around A. C. S. saying, "How's going today, M'm?"

As for future plans, "Knubby" plans to enlist in the Navy. Success and happiness go to Karl Richard Wittie from the Class of '64.
