Attention Operators

If you are renewing your driver's license, Helen S. Ackerman, County Clerk, points out that the part of your present license which is labeled "Operators License Renewal Stub" must be submitted with your application.

This stub contains blocks on the back-in which convictions are entered. Whether or not you have

had any convictions, this must accompany the application, together with the \$3 fee.

Mrs. Ackerman said today that approximately 40% of applications received, have had to be returned to the applicants because of the omission, thus delaying the process of validating the applications as licenses.

Firemen's Notice
