Allegheny County Civil Defense

Robert L. Coulter, Director

County Civil Director Robert L. Coulter has announced that a Certificate of Commendation has been awarded by the New York State Civil Defense Commission to the Butler Larkin Co., of Wellsville and the Acme Electric Corp. of Cuba in recognition of the service rendered Civil Defense by their cooperative efforts to bring before their employees the Home Fallout Shelter Counseling Service

of the State Commission. The Home Counseling Service provides information as to how a home may be improved for protection in the event of fallout. This is a free service. The service is available to anyone interested and information can be secured from the local Civil Defense office.

Lefkowitz Ends "Referral Sales" Scheme

A high pressure sales promotion which saddled a Long Island couple with an installment contract requiring them to pay \$971 for a vacuum cleaning system caused them to default on mortgage payments resulting in the loss of their home. Charging Security Advertising Company, Inc., and its salesmen of Plainview, L. I., with persistent fraudulent and illegal acts, Attorney General Louis J. Lefkowitz obtained a judgment in Supreme Court, New York County, which directs the firm to dissolve within six months.
