New Courses being offered this Year

Three new curriculm changes are contemplated starting with the new school year. Spanish will be offered in grades 9-12. A Special Class will be operated in cooperation with the Wellsville Central School system and the Alleoperation with the Wellsville Central School system and the Allegany County Board of Cooperative Educational Services, and the arithmetic curriculum in the elementary division will be modified.

Spanish was dropped from the curriculum seven or eight years ago when a teacher was no longer ago when a teacher was no longer available. In being rainstalled, Spanish I, II, and III will be offered in the language department but French has been dropped because of the unavailability of a teacher. Spanish will replace Frensh as a modern foreign language. The classes will be handled by Mr. Cyco. Handbey by Mrs. Gwen Henshaw.

Special class arrangements at Wellsville include coverage of both the elementary and secondary divisions. Gerald Mullen, of West Greenwood Hill, has been awarded a contract to furnish awarded a contract to furnish transportation. Students will leave Greenwood at 8:35 a. m. and will

antique farm machinery and mechanical equipment made the show a real interesting day for the members as well as helping them understand some of the background of our American agricultural heritage.

Robert Hoagland, advisor to the Greenwood chapter, Duane Ball advisor to the Canisteo chapter, and Arthur Day accompanied the group. Elton White was driv-er of the bus.

September High School Equivalency Exam Eliminated

The State Education Department, Division of High School: Equivalency examinations has notified the Hornell Equivalency Testing Center, Agency 10, that they have decided to eliminate the September examination for the 1964-65 testing season. If the number of applications increase to approximately fifty by the first of the year, a special request for Equivalency testing will be grant-

The fall testing in the past has been a convenience for people who wish to enter technical schools and need their High School Equival-ency certificate to enter. It has, also been a convenience for people who have failed to obtain their equivalency diploma in the spring and wish to re-take the examination in the fall.

All candidates who wish to take All candidates who wish to take their Equivalency examinations for a high school diploma at the Hornell center this fall should sent their applications to Mrs. Audrey K. Boag, Hornell Center, as soon as possible, so that the required number of applications will be received at the Center, and a received at the Center and a Fall equivalency testing examination can be arranged with the State Education Department.
