4-H's To Receive \$1,600 In Educational Grants From S & H

Outstanding college juniors will share in educational grants offered to present or former 4-H Club members. Two scholarships of \$500 each are being provided by The S & H Foundation for the fifth consecutive year, reports the National 4-H Service Committee.

Girls who plan to major in home economics are eligible for the 1964 awards. Candidates must have completed at least three years of 4-H Club work. Scholarships will be granted on the basis of three points: interest and desire to major in home economics with consideration to financial need, scholarship record in college, and all-around 4-H Club record.

Additional information and scholarship applications are available from county extension agents or the state 4-H office.
