## Editorial

by Jean DeRemer

With the start of the first soccer game, Andover's Athletic Department launched its 1964-65 sports season. And what a start! The present soccer team surpasses any team we've had in a long time. After beating Alfred-Almond, we can expect a thrilling season.

The basketball team should equal and perhaps excel last years. No one will be able to tell how the loss of Jim Cannon, Doug Mulholland and the others will affect the team. But—we can hope and cheer.

The swimming team looks very much stronger this year. The team lost only a few swimmers and there are quite a few more boys this year, so far. And with last year's record spurring them on, we can look for good "fin-men."

Track and baseball are a little far off, and the teams won't organize for a while, but all in all this looks like OUR year.

Now that we've got a little added incentive, let's all go out to every game and put as much into our cheering as the boys are putting into their playing.

Looks as if the Seniors had a Record Hop Friday night. How was it—Janet and Goat, Steve and K. J., Bonnie and Debbie and boyfriends, Dave and C. M., Ike and Denna and the rest of you that went?
