

SOCIAL NOTES

The 18th annual Fall Festival at the State University Agricultural and Technical Institute in Alfred, will be held Thursday, October 29, through Saturday, October 31. Among the major activities planned for the festival will be student departmental exhibits, an educators luncheon, typing and shorthand testing for area high school students, and the traditional Harvest Ball.

Several from Andover attend the various activities during the Homecoming Week-end at Alfred University, which opened with the concerts of the United States Army Field Band Friday afternoon and evening, and the football

game with Hobart, with a score of 41-8 over the visiting team, Saturday afternoon. Members of the 1914 Alfred team, including Harry Boyd of Batavia, and their coach, were in the stands with a Homecoming gathering of 4,000 Saturday as the Saxons broke out with their noisiest touchdown overture since 1956. The score also was Alfred's highest even against Hobart in a rivalry that dates to 1897.

The former Carnegie Library, a Main Street landmark in Alfred, has been under extensive interior remodeling and during the week-end with Open House, was officially named Carnegie Hall for the University Administration Headquarters. Administrative staff members are now located in this building.

Fire broke out Saturday afternoon that destroyed a large potato warehouse in Cohocton owned by the Charles Chips Farm Inc. The loss is estimated at \$500,000. The

building has been used as a potato warehouse for the past 20 years. James Cannon, Kenneth Milligan, Bill Grossman and Michael Baker were among the hunters to get a turkey, Monday.

Mrs. Leo Snyder entertained the members of the Entree Nous Club at a 7:30 bridge dessert at her home Thursday evening. Honors were presented to Mrs. Max Richardson and Mrs. Lynn Trowbridge. The guest prize went to Mrs. Avery Mead, Sr.
