Editorial

by Jean DeRemer

Sixty-eight years ago, on February 17, Alice Birney and Phoebe Hearst founded an organization. That organization was entitled the National Congress of Mothers. It is now more commonly called the PTA.

The main purpose of the PTA is to help children and through them, the school and the community. Perhaps the greatest way in which our PTA helps students is by granting a scholarship each year to a deserving student. Also Andover Chapter of the PTA brings parents and teachers together at least once a month. These meetings provide time for parents to discuss with the teachers their child's problem. The teacher is able to learn a little of the student's home life. There is an essential exchange of information at these meetings.

For many of the monthly meetings, the PTA chooses a person to speak on some subject related to the welfare of the community. Also, the panel discussion has been received very well here. There have been several enlightening ideas introduced at these open discussions. Still another PTA program is the Christmas Concert, at which parents may hear the musical progress of their children. Indeed, the Andover Chapter of the PTA, though not extremely large, is fulfilling the purpose of the National PTA: — aiding students, teachers and parents.

Purple And White

County Wrestling Champions

Bill Merrick—After a slow start this season, Bill finished with a 4-6 record in the league. In the interest of team strength, Bill has been wrestling in the 112 pound class during dual meets. For the tournaments, however, he has dropped into his normal weight class at 106 pounds.

Saturday Bill won an exciting match with Wright of Cuba on time advantage 10-9. He then went on to pin top seeded Saunders of Bolivar for the Championship.

Stewart Bird—Stewart was another slow starter this year. In his first year of wrestling, Stewart lost 3 matches in the 127 pound class, and then pulled out a 7-3 record for the season.

He dropped to 123 pounds for the tournament and won the County Championships on the basis of a pin over Taylor of Cuba and a decision of 5-0 over Cooper of Belmont.

Both Stewart and Bill will compete against the County Champs from Steuben County on Wednesday night, and if they win there, they will go to Victor for the semi-finals and finals in Sectional Competition.

Good luck boys!
