VOTERS and TAXPAYERS SQUEEZED AGAIN!

THE "VICE" OF INDECISION!

How Long Must We Wait?

- 1. FOR POSITIVE ACTION IN THE ELECTRIC DEPARTMENT? Isn't 6 Months too long for the Public to wait for Board Members action on such a vital issue which affects their very health, economy and personal comfort?
2. For a reasonable and workable approach for correcting some of the parking evils which the present "old line" Board Members have ignored and refused to relieve even after justifiable complaints were made?
3. For budgeted money to be spent for purposes originally allocated? Such as Main St., snow removal, street sanding and cleaning, Electric Department salaries, and water department improvements?

Haven't We Waited Too Long For "Old-Line" Board Members To Make Effective and Satisfactory Decisions??

Now Is YOUR Chance To Make A CHANGE!!
