Allegheny County's 14 American Legion Posts have been granted 16 reservations for the 1965 Empire Boys' State—equalling last year's quota—at Colgate University, Hamilton, June 27 - July 3. Leonard Neetz of Canaseraga, Boys' State chairman, reported at last week's February meeting of the Allegheny County American Legion executive committee, that the deadline for applications for Boys' State delegates is April 15.

Mrs. Addie B. Kelly, one of Avoca's oldest residents thinks Spring can't be far away now that bluebirds have arrived. Mrs. Kelly says that early return of bluebirds has always been a sign of an early spring. The birds are feeding on the berries of an English holly bush on her property and take refuge in a nearby barn when it gets a little cold.

The float parade opening the annual St. Pat's Festival in Alfred on March 19, will pay tribute to Dean John F. McMahan, who will retire next October after 30 years of service in State University of New York College of Ceramics at Alfred University. A parade theme of "St. Pat's Visits Dean McMahan" has been chosen by the fraternities and sororities which build floats for the annual parade competition. The festival

recognizes St. Patrick as the patron saint of ceramic students and is sponsored each year by a student group known as the St. Pat's Board.

The Work-study Program at the State University Agricultural and Technical College at Alfred, has received a grant of \$11,100 from the federal government under the Vocational Educational Act of 1963, Milo E. Van Hall, dean of student academic programs, announced. This is the second federal grant the college has received

for its Work - Study Program since January. Earlier in the year, Alfred Tech was allocated a sum of \$11,648 from the government under the Economic Opportunity Act of 1964. "Both grants combined are expected to furnish employment for approximately 100 students, with each student receiving an average of \$250 during each academic semester," he said.

The Allegheny County Bird Club met at the Friendship High School Library Friday evening to com-

plete plans for the April and May bird counts, in co-operation with the Buffalo Ornithological Society. The New York State Federation of Bird Clubs has requested this group and others to assist in securing nesting records of all species of birds in the area. The purpose of these records is to bring to the attention of the general public the importance of the proper use of pesticides.
