Income Tax Notes
 Taxpayers who have not already done so are urged to file their 1964 Federal income tax returns as soon as possible.
 Buffalo District Director John E. Foley of the Internal Revenue Service explained, "There is no time like the present to file your return if you have a refund coming and want to get it as soon as possible."
 The tax official urged those taxpayers who do not have a refund coming to file early to expedite processing of returns and to help their offices utilize as fully as possible the temporary help employed every year during the filing period.
